

THE  
ZETTER

**Christmas**

*at The Zetter Clerkenwell*

# A good old fashioned Christmas, at The Zetter, this year.

Enter the Georgian façade of this townhouse nestled in London's most historic neighbourhood, once home to Charles Dickens into the pages of his 'A Christmas Carol' for an exclusive festive experience this season.

# The Dining Room

The Dining Room perfectly seats up to 14 guests on a regency style table! The Cocktail Lounge is situated just through double doors, allowing soft jazz music to play whilst the cocktails flow for a perfect lunch, afternoon tea or dinner. Quirky interiors and mood lighting create the perfect ambiance for a stylish festive dinner party, spectacularly indulgent afternoon tea or even for an informal tittle before or after dinner, hosting up to 20 in an informal set up.

Inspired by the classic, "A Christmas Carol" written by a former resident of the cobbled streets of Clerkenwell, Charles Dickens.
