ZETTER

OUR PET POLICY

The Zetter Hotels are pet-friendly!

We warmly welcome you and your four-legged companions. We offer a selection of pet-friendly rooms to ensure a comfortable stay for both you and your dog.

To help everyone enjoy their visit, please review the following guidelines:

- There is an additional cost of £25 for your dog to stay with you in the room. If the room is damaged or requires excessive cleaning, a further fee may apply at checkout.
- All dogs must be kept on a lead or in a secure carrier when in public areas of the hotel.
 - Well-behaved dogs are welcome in our Parlours.
 - Owners must always accompany their pets at all times.
- Hotel staff will only enter the room if the owner is present with the dog.
- Please provide pet and emergency contact details to the reception team upon arrival.
 - Pets cannot be left in the rooms by themselves at any time.
- The hotel will not be held liable for any outcomes or associated costs.
